All this cash, cash, cash, cash, cash  
I seen Sean the other day, he said  
"Damn I ain't know you had that  
Ass, ass, ass, ass!" ask me no questions  
I'm Jolie when I'm on that beat, I have you gone in 60  
seconds  
These bitches don't like me, these haters wanna fight  
me,  
Wake up and get caked up, put these bitches on diets,  
Polo should have been my logo, with a jockey around  
on my coat though  
So I take 'em back to the drawing board  
'Cause it's time to make some hits for the momo  
I turn up when my chalk missing, and hop out in a new  
edition  
I'm propane, this Hell's Kitchen, my campfire, this  
smoke signals  
Sold some other shit, get these maggots off me  
The best is a ..., attach it slowly  
Broads got at where you act, they acting Tony  
Fuck you over than they asking for alimony

Should have known a thing  
Should have known a thing about me  
Well, she don't know that I'm on a roll  
I'm a motherfucking G, and we long distance  
Sipping on biscuits, sipping our tea  
We flip them the bird, then let them fly on for free  
Watchu lookin' at, watchu lookin' at  
Watchu lookin' at, watchu lookin' at

I'm cooling in Italy  
And a man could probably a tee, I'm making a scene  
If they rolling the camera's, my candids come with a  
fee  
Excuse my French, I speak deadly, bread throwing that  
cheddy  
My pocket's nauseous, these ones is vomit, I'm  
throwing up this confetti  
Ugh, I'm spazzing out, and yeah I'm going for broke  
I'm gonna ride this wave kind of like a tube on the

rope

If you don't like it, I give you something to hold  
Here's a D from you to me, you can call it my own  
Damn Iggy, damn Iggy, why you so willy  
Sewed up, really when the pen in the needle, you gon'  
feel me  
I got my fam with me, going ham, and that's some  
damn chilling  
Take the night off, and we be gon' ride off, and we  
gon' ride off

Watcha lookin at
