It's a shame tapping on my windowpane
It's a shame never goes away
It's a shame, oh but it's a gentle rain
It's a shame, it's a shame, it's a shame, shame, shame

We're the same
Wonder why we go insane
We're the same
That's just how we're made
We're the same
Oh but in a different way
It's a shame, it's a shame, it's a shame, shame, shame

Sweet young lover
Undercover
Hiding each other
Hiding each other
Those young lovers
Only ones who know

I would dive into your love
And I would go as deep
As my lungs would let me
If I were to marry the sea

It's a shame tapping on my windowpane
It's a shame never goes away
It's a shame, oh but it's a gentle rain
It's a shame, it's a shame, it's a shame, shame, shame

We're the same
Wonder why we go insane
We're the same
That's just how we're made
We're the same
Oh but in a different way
It's a shame, it's a shame, it's a shame, shame, shame

Sweet young lover
Undercover
Hiding each other

Hiding each other
Those young lovers
Only ones who know

I would dive into your love
And I would go as deep
As my lungs would let me
If I were to marry the sea
