

## Imaginary Cities

# "Where Did All The Living Go?"

Visit "[Where Did All The Living Go?](#)" on MotoLyrics.com

(Intro)

Marti:

You Were asking me in a dream-like state  
You were asking why we have to separate  
You keep asking how does love turn into hate  
Keep on asking me,  
Keep on asking

Where did all the living go? Something don't feel right,  
Where did all the living go tonight?

Marty & Rusty:

Barely moving, Bodies in a toxic state  
Something truly makes me want to hesitate  
If I answer, will it be a huge mistake?  
Keep on asking me, Keep on asking

Marti:

Where did all the living go? Something don't feel right,  
Where did all the living go tonight?  
I'm scared to speak my mind,  
I'm running out of time

I'm scared to speak my mind  
I don't wanna make you cry-y-y  
Don't wanna make you cry-y-y  
Don't wanna make you cry-y.

Marti & Rusty:

You Were asking me in a dream-like state  
You were asking why we have to separate  
You keep asking how does love turn into hate  
Keep on asking me,  
Keep on asking

Marti:

Where did all the living go? Something don't feel right,  
Where did all the living go tonight?  
Where did all the living go? Something don't feel right,  
Where did all the living go tonight?  
I'm scared to speak my mind,

I'm running out of time  
I'm scared to speak my mind  
I Don't wanna make you cry-y-y  
Don't Wanna make you cry-y-y  
Don't wanna make you cry-y.
