Days

As we fall from grace

Days

In a neon phase

We are the crashing waves

Of a restless sea

As the life goes by

So fast

We are the waving flags

In a sea of facts

And the life goes by

So fast

Days

As we fall from grace

Days

And the distance fades

We are the crashing waves

Of a restless sea

As the life goes by

So fast

We are the waving flags

In a sea of facts

And the life goes by

So fast

Days

As we fall from grace

Days

With a neon face

We are the crashing waves

In a restless sea

And the life goes by

As the life goes by

And the life goes by
So
Fast

As the life goes by
As the life goes by
As the life goes by
As the life goes by
