I am laughing as you're crying
I will push you as you are dying
I will kill you in sweet
gentleness
I will let you as you are trying
i will fail you all the time
I don't care aboutÂ
all the rest

Now I guess
that's the best

What is left now to confess
When your heart is filled with emptiness
If I put it down to a test
You represent what I detest
To think about what a mess
But there's beauty in this ugliness

I am laughing as you are cryingÂ
I will push you as you are dying
IÂ will fill with doubts your
nothingness
I am selling what you're buying
I don't care how much you're lying
It's time to put it all down to
a rest

Well I guess
that's the best

To lose what we had was a bless
Now go to hell with all the rest
To put it down to a test
You represent what I detest
To think inside me I'mÂ a mess
There's beauty in this ugliness

I am laughing as you're crying
I will push you as you are dying
I will kill you in sweet

gentleness

I have loved you like a crime

I 'll forget and I'll be fine

I don't care if something good is left
