I saw her quite a lot of times  
Speaking on the telephone  
Being sensual almost gone  
Sucking by the telephone

I guess she's the president  
Well done kid in politics  
Too much brain for tragedies  
Overnight qualities

I know

I saw her quite a lot of times  
Speaking on the telephone  
Being sensual almost gone

Sucking by the telephone

I guess she's the president  
Well done kid in politics  
Too much brain for tragedies  
Overnight qualities

I know

You have died from long ago  
And you have lied for more and more  
Quite enough your hide and seek  
Your propaganda makes me sick

I know
