A love lost, wasn' t love A love lost, wasn' t love So quit blaming yourself

I get lost inside the words we choose to say We get lost inside ourselves but found in someone else

Don' t blame yourself You' re going to find your way Because everybody finds their way Or so they say, or so they say

Don' t blame yourself You' re going to find your way Because everybody finds their way Or so they say, or so they say

Peace of mind $It\hat{a} \in^{\mathsf{TM}} s \text{ something that } I\hat{a} \in^{\mathsf{TM}} II \text{ never find } It\hat{a} \in^{\mathsf{TM}} s \text{ something that } I\hat{a} \in^{\mathsf{TM}} II \text{ never know until I find you}$
