(Verse)

I tied my belt to your kite

to see if I could fly

But the wind wasn't on my side

so you walked on by

I decided to climb the tree

to get you to notice me

But all the branches broke free

and now I'm caught in between

(Chorus)

Because I don't know why I am the way I am

but I swear if you'd just try

I'd never say goodbye

(Verse)

Haven't seen you since that day

So now at night I lie awake

Wondering why you've gone away

When I have so much more to say

(Chorus)

Because I don't know why I am the way I am

But I swear if you'd just try

Iâ€™d never say goodbye

(Bridge)

never say goodbye

(Verse)

Iâ€™d sail to the moon

If I could see you soon

And even if Iâ€™m a fool

I wonâ€™t stop chasing you

Because I donâ€™t know why I am the way I am

But I swear if youâ€™d just try

Iâ€™d never say goodbye
