There's a time for grown up boys  
To make a mess of pretty things  
To lose yourself and find  
A piece in your goodbye

I lost my faith in you  
To distant dreams of true  
Nothing here redeems me  
No angels to release me

I dream of falling angels  
I dream of falling angels  
Touching me

A shadow's buried me  
In rusty memories  
Hopes for inside  
My angels called goodbye

You lost that photo album smile  
To memories faded, faded

I dream of falling angels  
I dream of falling angels  
Touching me

I dream of falling angels  
I dream of falling angels  
Touching me
