

## Nitin Sawhney "Immigrant"

Visit "[Immigrant](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Also heavily advertised in local newspapers and dailies  
That they are encouraging for people to come down  
and work  
And then we went to the embassy and they showed us  
Kew garden pictures and pictures of the various parts  
of England  
That it is all that beautiful and everything is just right  
And that's why we just applied for the voucher

You burn my flame within your hands  
You know when my destiny falls  
This time has insecurity  
I feel, makes me restless inside

Will you take me there  
To a distant place I've never been before?  
I could leave this world  
I could follow you like oceans to the shore  
You could take me there  
Make the rivers of my mind flow to my dreams

You hold your secrets from my eyes  
You see where the furthest rain falls  
The day breaks over in the streams  
You know where my rivers will flow

Will you take me there  
To a distant place I've never been before?  
I could leave this world  
I could follow you like oceans to the shore  
You could take me there  
Make the rivers of my mind flow to my dreams

And I dream of places far from here  
And I call your name to the wind  
And I wish the night would take me to another world  
Where no one knows a face or has a name

Will you take me there  
To a distant place I've never been before?  
I could leave this world  
I could follow you like oceans to the shore

You could take me there  
Make the rivers of my mind flow to my dreams

Make the rivers flow  
Will you take me there?  
Will you take me there?  
Oh yeah

Take me there  
Take me there  
Take me there, yeah  
Take me there, yeah, yeah  
Take me there

Will you take?  
Will you take me there?

Take me there  
Take me there  
Take me there, yeah  
Take me there, yeah, yeah

Take me there  
Take me there  
Take me there, yeah  
Take me there, yeah yeah

Make the rivers flow  
Make the rivers flow  
Make the rivers flow  
Make the rivers flow

Make the rivers flow  
Make the rivers flow  
Make the rivers flow
