I'm lingering, I'm lost
I'm floating nowhere like
A wasp in October
Summer's over and done

These empty dreams of mine
Are out of place and out of time
Is just a grain of sand for me

Seasons change, memories fade
Daydreams fall like golden leaves

Another day
I'm watching dreams just slip away
The summer moon

Gives way to autumn's dusky bloom
Seeds I've sown
Are almost spent, I'm here alone

Wandering, I roam
Beneath the half light of forgotten sunsets
Searching for my home

Inside this lonely place
I'm chasing shadows like a wasp in October
Fading in the wind

Seasons change, memories fade
Daydreams fall like golden leaves

Um dia de mas
Meu sonho desapareceu
Lua no céu

Rio da noite, cora-
Sozinha aqui
Vocês não lembra mais de mim

Another day
I'm watching dreams just slip away
The summer moon

Gives way to autumn's dusky bloom
Seeds I've sown
Are almost spent, I'm here alone
