Blame!

Down the lines, down the lines...
Blame the world...

Down the lines, down the lines...
Blame the world...

Down the lines, down the lines...
Blame the world...

Down the lines, down the lines...
Ooh, If you could change the world from within,
The lines of your precious dome.
Arm's length's a perfect prison,
Right inside your home.
It's an easy life for the angry kind,
For a heart that's growing cold.
Just close your eyes and blame the world!

Just close your eyes and blame the world!
Close your eyes and blame the world!

Close your ee-eee-eyes!
Close your ee-eee-eyes!
Close your ee-eee-eyes!
Close your, close your eyes, eyes, eyes!

Blaming the Wooooooooorld, inside your...
Mind, The answers whistling on down the line.
Blaming the Wooooooooorld, inside your mind,
The answers whistling on down the line.

...on down the line.

...will never reveal sincere emotion
When the soul chooses to hide,
Nothings colder than dead compassion
Hiding behind the eyes.
If you keep the venom behind your lips,
A kiss could make you cry
And ashamed you lied,

And blamed the world.

Blaming the Wooooooooorld...

Down the lines, down the lines...
Blame the world...

Down the lines, down the lines...
Blame the world...

Down the lines, down the lines...
Blame the world...

Close your...
Close your ee-eee-eyes!
Close your eyes, eyes, eyes...
Blaming the Wooooooooorld...
The answers whistling on down the line...

Lii-ii-iine...
Close your eyes, eyes...

Just close your eyes...
...soul chooses to hide...

Just close your eyes!
Just close your eyes!
Just close your eyes!
