Walked away
Have you looked for steps drawn
Across the glade?

I flew all night I couldn't get in
It rained all night I was soaked to the skin

Walked away
Have you looked for steps drawn
Across the glade?

Watch my breath turn into steam
Soft as eyes scrolled in

Walked away
Have you looked for steps drawn
Across the glade?

Let her in
Let her in of a small I'm inside

Walked away
Have you looked for steps drawn
Across the glade?

Flickers, flickers, flickers of light

Walked away
Have you looked for steps drawn
Across the glade?
