Verse 1-

I need you, like the sun in sky needs to shine everyday  
And I need you,  
Like the ink in the pen needs to fill up the page  
I see you, tryna do all you can just to make me happy  
You're the spark in the flame  
And I light up each time that I hear you're name.

Pre-

A reflection, of my heart, would show you're lovely face  
And there ain't no, other man, baby you're the one for  
me  
You're a treasure, you're special, you're an angel your  
a king  
And I feel so, limited, cause these words cannot  
convey

Chorus-

I hate love songs  
But I'm writing one for you  
I hate love song  
But every word I say is true  
Oh I hate love song  
But I'm writing one for you  
I hate love song  
But I'm writing one for you you you

Verse 2-

Just like a, donor I've given my heart to you  
Cause when I,  
was hurting you're love is what carried me through  
And I need you,  
Like God created a man but he needed a mate.  
You're the cloud you're the rain,  
I feel like a flower the way that you shower me.

Pre-

Anything you need baby

Wanna be your everything  
Listen to my voice, and let it penetrate you're heart  
I could wrote a poem or a letter text or called  
But I really had to write this song.  
So turn you're radio up

And let it penetrate you're soul
