I believe
The storm will soon be over
I believe
The rain will go away
I believe
That I can make it through it
Oh Oh Oh Oh
I believe
It's already done

I believe
Family will get better
I believe
God will provide
I believe
The promise that He made
Oh Oh Oh Oh
I believe
It's already done

I believe
That my God is a healer
I believe
That I will survive
I believe
That God is able
Oh Oh Oh Oh

I believe
It's already done

I believe
Gods gonna do it
Do it for you (2x's)
I believe
It's gonna get better
Better for you

I believe Gods gonna fix it
Fix it for you
I believe it gotta get better (2x's)

Better for you

Adlib here til ending

For you

I believe I believe for you (along with the adlib)

I'm excited about your future
