A cigarette fills an empty room
Smell of heartbreaks and cheap perfume
Photos scattered across my wall
Maybe someday I'll take them off, but I miss you
Yeah, I still miss you

Yeah!
In the middle of the night
When I feel you by my side,
Well it's nothing but a memory.
What if we never said goodbye,
If I never made you cry
Baby this is killing me,
So love me bad, love me bad
Yeah love me bad again.

All those words I never said,
On my lips taste like regret.
Promises like fake tattoos
After all that we've been through
Well I miss you
Yeah, I still miss you

Yeah!
In the middle of the night
When I feel you by my side,
Well it's nothing but a memory.
What if we never said goodbye,
If I never made you cry
Baby this is killing me,
So love me bad, love me bad
Yeah love me bad again and again and again and
again and again!
Again and again and again and again and again!

Love me bad, love me bad, love me bad

In the middle of the night
When I feel you by my side,
Well it's nothing but a memory.
What if we never said goodbye,
If I never made you cry

Baby this is killing me,
So love me bad, love me bad
Yeah love me bad again
So love me bad, love me bad
Yeah love me bad again and again and again
