My parents said it wouldn't last forever,
I'm still waiting to get better, liars.
And they're lying to me now.

I always knew that I would fit in, get kicked out,
But I never caved in, liars.
And I'm dealing with it now.

I'm screaming, screaming for the losers
Screaming, scream at the abusers.
Show them that we're fed up,
Come on throw your hands up,

We're screaming, everybody hates us,
Screaming, 'cause they can never break us.
We're not gonna give up,
Come on throw your hands up

Got a lot of friends worth losing,
I've got a lot of friends just using me,
So can you hear my battle cry?

I'm screaming, screaming for the losers
Screaming, scream at the abusers
Show them that we're fed up,
Come on throw your hands up,

We're screaming, everybody hates us,
Screaming, 'cause they can never break us.
We're not gonna give up,
Come on throw your hands up

The world said it wouldn't last forever,
But we're done waiting to get better, liars.
They're all liars.

I'm screaming, screaming for the losers
Screaming, scream at the abusers
Show them that we're fed up,
Come on throw your hands up,

We're screaming, everybody hates us,

Screaming, 'cause they can never break us.
We're not gonna give up,
Come on throw your hands up
