I know its not easy rnWhen I tell you I\'m leavingrnFrom
the tears in our eyes we both know that you\'re not
coming with mernIt\'s not the first timernAnd it won\'t
be the lastrnJust make sure you tell my baby girls that
their dad will be backrnWe\'ll try to stay close though
we\'re so far awayrnChorus: rnAnd when you open
your eyes and see what I\'m seeingrnAnother
sunrisernAnd we\'re still here breathing rnFor better or
worse rnThese are the lives that we\'re leadingrnBut
our love\'s like an Echo that keeps on reaping rnThat
keeps on reapingrnBy this time tomorrowrnI\'ll be
home in West HartfordrnIt\'s like time never
stoppedrnAnd I\'m back in the place where we
startedrnSo lets go to the moviesrnTake the kids out to
playrnBut whatever we do lets make it last \'cause
we\'ve just got todayrnWe\'ll try to stay close though its
so far awayrnChorus:rn\'Cause when you open your
eyes and see what I\'m seeingrnAnother sunrisernAnd
we\'re still here breathingrnFor better or worse rnThese
are the lives that we\'re leadingrnBut our love\'s like an
Echo that keeps on repeatingrnheh heh heh...oh oh
ohrnAnd when you open your eyes and see what I\'m
seeingrnAnother sunrisernAnd we\'re still here
breathingrnFor better or worsernThese are the lives
that we\'re leadingrn\'Cause our love\'s like an Echo
that keeps on repeatingrnThat keeps on
repeatingrnThat keeps on repeatingrnThat keeps on
repeatingrnThat keeps on repeating
