I'm a lucky man  
Cuz And I also ran  
In the race to get to heaven

Well, I've got a smile on my face  
Cuz there's blood in my veins  
And life doesn't get any better  
For this happy sinner

And if loves to be the death of me  
Then I won't cry  
And if life with you is blasphemy  
I'll pay the price

Cuz my souls at rest  
With my head on your chest  
It's the closest to heaven that I'll ever get  
And I hope you'll give in to your happy sinner tonight

Like my father said  
Some the best of us are failures  
So get it through your head  
No one's gonna come to save us

I know he made some mistakes  
And we share the same face  
But you can't blame him for mamas behavior  
I'm just the happy sinner

And if loves to be the death of me  
Then I won't cry  
And if life with you is blasphemy  
I'll pay the price

Cuz my souls at rest  
With my head on your chest  
It's the closest to heaven that I'll ever get  
And I hope you'll give in to your happy sinner

I'm down on my knees  
With the sword I'll never cleese  
Is over my head

It's over my head

And God knows  
I'm taking liberty  
With angels watching  
With angels wondering

If loves to be the death of me  
Then I won't cry  
And if life with you is blasphemy  
I'll pay the price

Cuz my souls at rest  
With my head on your chest  
It's the closest to heaven I'll ever get  
And I hope that you'll give in to this happy sinner  
tonight

Yes I hope you'll give in to this happy sinner tonight
