Hey you
I put my name on you (you)
Then you,
You put my heart in blue,
Just for you (you)
Regret I had a few (few)
Trust me
I gave my life to you

Oh now I can live without you
my love is over
my love is over
Oh now I can smile over you
My love is over
my love is over
I cried a lot,
I prayed in the name of my love
My love is over
my love is over
I cried a lot,
I prayed in the name of love
My love is over
my love is over
But now it's over

They say
Whatever you wanna say (say)
You are allowed to blame
Hey hey you you
You're not right but it's ok (hey)
I'll make it anyway

Oh now I can live without you
my love is over
my love is over
Oh now I can smile over you
My love is over
my love is over
I cried a lot,
I prayed in the name of my love
My love is over
my love is over

I cried a lot,
I prayed in the name of love
My love is over
my love is over
But now it's over

Oh now I can live without you
my love is over
my love is over
Oh now I can smile over you
My love is over
my love is over
I cried a lot,
I prayed in the name of my love
My love is over
my love is over
I cried a lot,
I prayed in the name of love
My love is over
my love is over
But now it's over
