VERS 1:

I'm stuck in side  
a self-made cell  
with no way out  
and no  
happy ending

my mistake  
i let you in  
i thought you where  
the one  
but you betrayed me

BRYGGA 1:

I can't believe the pain  
That I'm alone again  
I'm barely breathing!

REFRÄNG:

Do you care, that i'm crying?  
Do you care that I loved you for so long?  
Are you sorry?  
'cause I'm in hell  
I don't care that I'm hurting  
i don't care if i never see you again  
I just want you,  
Out (of) my head

vers 2:

if I could read  
the book of life  
what would I learn  
'bout us  
and why you left me?

BRYGGA:

You're stuck inside my brain

I gotta brerak away  
I'm barely thinking

REFRÄ,,NG:

Do you care, that i'm crying?  
Do you care that I loved you for so long?  
Are you sorry?  
I'm in hell  
I don't care that I'm hurting  
i don't care if i never see you again  
I just want you,  
Out (of) my head

STICK:

packed my bags, I'm heading out  
don't wanna see your face again  
'cause what we had was just a lie

want you out of my head  
I want you out of my head  
Qoz your no good for me  
I'm no good for you  
Over and out
