Verse 1:

shades on the inside  
that's how we ride

im dancing strait to vip  
in attracting some glances  
they coming over here  
ya you know whats happening  
im down to get up on the floor  
who are these hoes  
party on the dance floor  
every fucking damn show

Pre-chorus:

let the dj take control  
take the party on the dance floor

Verse 2:

let me pave the way  
cause im major faded  
make asses shake like 808s  
and drive ladies crazy gotta share the stage with them  
give me drinks and their boyfriends pay for them  
make eye contact she want me bad you know that looks  
chicks have  
her mind is made so I paved the way and all night shes  
on my path  
stay party on the dance floor  
to the back door  
to the black whip  
from the black whip  
to the mattress  
making magic  
then she asked for me  
girl you can have a party on my head board

Pre-Chorus:

let the dj take control  
take the party on the dance floor

Chorus:

Party on the dance floor  
to the four four beat  
get party on the dance floor  
that's that florida heat

Bridge:

I don't know whats up  
sipping on a solo cup  
what the fuck is in it  
I don't know  
I just picked it

Pick it up

I just, I just picked it up (x2)

(loose control, let it go, let it go  
everybody party with me

Party on the dance floor  
To the four-four beat  
Get party on the dance floor  
that's that Florida heat

Bridge:

I don't know whats up  
Sipping on a solo cup  
What the fuck is in it  
I don't know  
I just picked it

Pick it up

I just, I just picked it up (x2)
