Chorus:

I need your body  
some body is what I need  
baby we can share my body  
if you come and share your body with me  
give me that body  
im gonna work that body  
on me all night long  
baby let your hair down  
just dance all night

Verse 1:

Jetson fleet rolling/ we monkeying around/ I know  
where this is heading chicks close on the ground. my  
head in the clouds woops head in the bed / from a  
chick I just met/ but we smoke it by the pound/ she a  
freak to the 4-4 beat/ when we meet, no sleep/ that's  
the heat from out in St.pete/ toss a couple beans and  
she bitting her lip/ then she hopped out her jeans and  
she party girl dipped.

Verse 2.:

was it something I said or the time in the place/ that's  
got you placed right up against my waiste/ with her hair  
in my face and I don't know your name but im gripping  
any hips cause they all feel the same. something inside  
this place tonight has got everything little pretty hunnie  
down tonight with a wink in her eye and a think in her  
mind that we both know somethings going down  
tonight.

Chorus:

I need your body  
some body is what I need  
baby we can share my body  
if you come and share your body with me  
give me that body  
im gonna work that body  
on me all night long  
baby let your hair down

just dance all night

Verse 2:

I said whats up whats happening  
I think its time we get this cracking  
bottles popping and models packed in  
unwrapping while she undressing  
and she say she going keep it pressing  
up on my waiste. cant wait till the end of the day/ so  
she can get back to my place/ we stay partying till  
fucking 6 am/ we thinking we can get to drinking/ every  
weekend/ well everyday the weekend/ so whacha  
thinking/ you wanna roll/ well ok girl, lets go/ hit the  
road and when we get back home/ you know that we  
gonna keep it going / all night, all day, you can find me  
in the TPA!

Bridge:

everybody needs somebody  
everybody needs (X4)

Chorus:
