Verse 1:

You looking mad over there
because we brought the party
we getting drunk over here (yeah)
we could do this shit blowing up alnight
watch the sunrise, fuck the sun that's mine
im on the grind
yeah you heard me
I stay steady burning on the trees homie
we be on the mix just a doing our thing
and then I pop some tags and hear my phone ring
its my man j-mo on the other fucking line
hanging with tom g
you know we kick it all the time like

Verse 2

yeah what up I-roy
just pulled up at the spot
and damn these girls lookin hot
we get it live when we come in side
pop a couple bottles of that ace of space rose
and you girl say she wanna stay over to the next day
ok shorty you can you can
if you life off your man and leave with me baby
we can get to see those double d's and she can get the
d
spllitin her legs up like the red sea
and next day shorty already text me

Chorus

we brought the party
showing up drunk
when we getting inside
you know its gonna get live (uh) X4

Verse 3

stay getting it starded
notorious for bringing the party
like a case of ace of spades I drop babes strait retarded
anything you could need homie I got it
I got a grab bag in the backpack

you can have that

but where my cash at?
and like a transaction I trade my money for fun
ask these hunnies whats happenin
whacha heard about the burb kid
grinding on the curb with a whole fleet of hunnies just
swerving in my burbin
we brought the party and about a thousand girls in
magically it happened pulling hat tricks like I'm merlin
with a party on a platter that im bout to get to servin
party lifes my job, bout to get to working
gotta be theatrical till they close the curtain
hurting at the afterparty but that aint no bad news
jetson fleet we brought the party aren't you glad we
brought you?

Chorus

we brought the party
showing up drunk
when we getting inside
you know its gonna get live (uh) X4

Verse 4

when I walk in the party
everybody getting rowdy
drinking smoking chillen going on around me
yeah we living that crazy life
its going down every night , its what the ladies like
I said we brought the party and we showing up tipsy
got some bottles popping we leaving till they empty
everybody getting some
party till we see the sun
make another beer run
party to the cops come
bitches in the living room hitting the bong
and if you aint leave with one of them something is
wrong
we go the tunes cranked up and it going down
and if you need directions you can follow the sound

we just three dope dudes on the underground
and we getting fucked up and sleeping around (X2)

Chorus outro:

I said who brought the party
(we brought the party)
