(22 second intro)

ooh, aah. ooh, aah.  
na, na. ooh, aah.

She's a bright eyed beautiful girl,  
in a cold world but she'll never tell.  
A dim eyed boy like myself,  
her hearts hurt a love never felt.

She's a bright eyed girl.  
In a cold world.  
A bright eyed girl.  
In a cold world.

She's a bright eyed beautiful girl,  
her scars show but she'll never tell.  
A dim eyed boy like myself,  
all her pain and what she has dealt.

She's a bright eyed girl.  
In a cold world.  
A bright eyed girl.  
In a cold world.

Capture me, savour me.  
Wont you  
lie to me,  
believe in me.  
'Cause I'm falling.

Capture me, savour me.  
Wont you  
lay with me,  
stay with me.  
'Cause I'm falling.  
for you.

She's a bright eyed girl.  
In a cold world.  
A bright eyed girl.  
In a cold world.

Capture me, savour me.  
Wont you  
lie to me,  
believe in me.  
'Cause I'm falling.

Capture me, savour me.  
Wont you  
lay with me,  
stay with me.  
'Cause I'm falling.  
for you.
