Undress - Jeydon Wale

well, what it do baby girl uh
tell me how you feel
the way you lookin at me so sincere
i wanna know your name uh
what's your name
if you give a bit a game
i'll girl your fame gurl
i know what you like
fast cars, five stars, shopping spree
that's tight i'm a man made of money
i'm practically a tree
how much it gonna cost
for you to be with me me
oh i see your damn thighs
and what it gonna take for me to slide inside
are you ms.right
cus i'm mr.right now
your practically a queen, girl
take a bow and i got it
anything you want
i got it
any fantasies to fulfill
i'm on it
if you take me down
then i'll take you down
hair a mess
body round and round
Uhh undress baby girl
uuhh undress baby girl
uuh undress baby girl
nothing left to do but caress you girl
Uhh undress baby girl
uuhh undress baby girl
uuh undress baby girl
nothing left to do but caress you girl
when you bounce to the beat
and knod your head
that's exactly what we're
doing in the sheets in the bed

she gotta lotta work
and dhe gotta lotta back
dang i really like the feel
baby work that ass
ain't bad whip cream
champaine hot steam
you can have it all night
if you know what i mean
bed time hot fire
anything you desire
this is one thing from which you can't retire
i'm not a magician
but i can do magic ohhh
we can turn anything into a bad habit
an it better be bad when your here
with me cuz i gotta few dozen
other tricks up my sleeve
so go ahead girl make it work
put your back into it
until it hurt
show me hate & show me love
and climb on top girl i got me a glove uh hh
Uhh undress baby girl
uuhh undress baby girl
uhh undress baby girl
nothing left to do but caress you girl
Uhh undress baby girl
uuhh undress baby girl
uhh undress baby girl
nothing left to do but caress you girl
bring it on back girl
bring it on back
bring it on back girl
bring it on back
bring it on back girl
bring it on back
bring it on back
i'll make it clap
bring it on back girl
bring it on back
bring it on back girl
bring it on back
bring it on back girl
bring it on back

i'll make it clap
i'm outta control
with the way you drop your body
have you ever got slapped for being this naughty
dang baby girl
i could eat you up cute waist

pretty face
i'ma show you love (love)
L-O-V-E
but that is even better when your here with me

messin up your hair
but you don't really care
cuz i pin you down
