Hey God, I'm learning to pray
But it's hard and I'm just not sure what to say
Hey God, I'm down on my knees
Begging you please for one more day

I was never faithful - but you were faithful 'til the end
Once your enemy, you now call me your very friend
I believe I need your grace
To get me through today

Hey God, I'm learning to die

To pick up my cross, to live for you, to sacrifice
And now God, I'm beginning to realize
Despite the things I've done, you just see Christ

I was never faithful - but you were faithful 'til the end
Once your enemy, you now call me your very friend
I believe I need your grace
To get me through today

I was never faithful - but you were faithful 'til the end
Once your enemy, you now call me your very friend
I believe I need your grace
