A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

Sometimes I'm scared to get too serious  
I get the feeling that I'm all locked in  
You might be the girl who will break my heart  
If I take this chance and go out on a limb  
I know from experience when you fall in love  
Something sure do break your heart

A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

I can't get awake of sleep  
I'm always wondering who you're with  
So if I keep you near to me  
I'm gonna save myself a lot of grief  
And maybe I'll fall in love if you catch my fall  
And you never break my heart, baby

A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

A broken heart, a broken heart  
A broken heart can mend  
A broken heart, a broken heart  
A broken heart can mend

Oh girl, oh baby, it takes a little time  
Then you can love again  
But I ain't got the time

To get through another heartbreak  
(A broken heart can mend)  
(A broken heart can mend)
