Drifting alone  
Were am I to go  
The purpose of me  
Sadly I don't know

Who'll take my hand  
I'm sailing in the sand  
Nothing to enjoy  
Feelin quite destroyed

[Chorus]  
But I know a magic dolphin  
Swimming above the world  
And in my dreams he promised me  
That someday I'll find my girl

No one to love  
No one to lose  
All by myself  
This is what I choose

Lovers everywhere  
Why should I even care  
Will I ever change  
That would sure be strange

[Chorus]  
But I know a magic dolphin  
Swimming above the world  
And in my dreams he promised me  
That someday I'll find my girl

She has the taste of summer  
Cute shiny eyes of love  
And until I find that girl of mine  
I have a friend above  
Yes, I have a friend above

[Chorus 2]  
Cause I know a magic dolphin  
Swimming above the world

And in my dreams he promised me  
That someday I'll find my girl

She has the taste of summer  
Cute shiny eyes of love  
Until I'll find that girl of mine  
I have a friend above  
I have a friend above  
Yes, I have a friend above
