Suddenly I'm famous
And people know my name
I've got a thousand girls just waiting
And therefore it's a shame
That my heart has been captured
By your funny little smile
And finally I'm happy
If only for a while

People call me stupid
For treating you like a queen
But I don't even worry
'Cause you're my unforeseen
And I hope that you'll be with me
If only in my dreams.
But here you are next to me
And you're glad, or so it seems

And I don't know for sure
Where this is going
Still I hope for more, and more
'Cause who would know that you
Would treat me like a boy
And I treat you like a girl
In this funny little world

Don't promise me for ever
Just love me day by day
No one knows the future
We're young, but that's OK
'Cause you'll always be a part of me
Whatever life will bring
And people have to bear with you
This silly song I sing.

Your boyfriends might be angry
My girlfriends might be blue
But no one can deny it
From now on I love you
I have to say it's new to me
This feeling in my heart

Guess I've been kind of lonely
And you've been kind of smart

And I don't know for sure
Where this is going
Still I hope for more, and more
'Cause who would know that you
Would treat me like a boy
And I treat you like a girl
In this funny little world.

And I don't know for sure
Where this is going
Still I hope for more, and more
'Cause who would know that you
Would treat me like a boy
And I treat you like a girl
In this funny little world.
