"Shame On Me"

SHAME ON ME
(Stanley Howard, Terry Lewis. James Harris III)

Chance Howard: Keys
Rhythm & Vocal Arrangement: Jimmy Jam and Terry
Lewis

Nothing better to do than think the idle mindÂ's the
devilÂ's workshop
So why ya trying to blame me for your Insecurity
The verdict is in you see

And both of us know whoÂ's guilty
I let you get over the last time
You do it again its shame on me

CHORUS:
Do it again, itÂ's a shame on me
Do it again, its shame on me
I let you get over the last time
You do it again,
itÂ's shame on me
