I feel a physical attraction when I'm close to you
Let's be more than just friends, I think it's time to take
action
Can't get you off my mind, oh is this love I've fell in

CHORUS:

What is this thing called love, that makes me feel this
way
It takes control of everything I do and say
What Is this thing called love, Is it a mood
What is the meaning of, What Is this thing called love?
It feels so good to be romantic, with you special woman
Someone who knows what you like, that keeps it fun
Baby you know you are the one who inspires my love
CHORUS

Sometimes you need it, sometimes you want it
Sometimes we let it run our lives
Sometimes you give it, sometimes you get it
Girl what I'd give for you to be mine

CHORUS

Looking high & low, trying to find
Searching for the answer to this thing called love
Something that we need so much, can hurt and tease
But please a broken heart

CHORUS
