Having a good time
Getting close to you girl
Last dance is ending
I don't wanna let you go, oh no

So please excuse me
If I come up kinda strong
But the night is almost gone
What I'm trying to say is that

There's no need to leave
When the party's over
There's no need to go
When the party's over

Understand me
I'm not forcing anything
I just wanted you to stay
So I thought I'd tell you this

There's no need to leave
When the party's over
There's no need to go
When the party's over

There's no need to leave
I don't wanna be alone, baby, no
There's no need to go
Stay with me, stay with me, baby

There's no need to go
