(Hofstede)
Cabin 80
Cabin 80 to way out
I am waiting
Did you see me in the crowd
Hook of Holland 6 AM
Someone shouted tell me where I am
Hook of Holland trains and boats
Someone said it's raining overcoats
See the man on
See the man on the quay
There's a girl from Switzerland
In the same compartment
Humming trains and boats and planes
On a street in Rotterdam
Back in 1925
There's a woman and a man
Black and white a photograph
Wonder if they're still alive
Wonder if they're still alive
