I was born in a valley of bricks  
Where the river runs high above the rooftops.  
I was waiting for the cars coming home late at night -  
From the Dutch mountains.

I was standing in a valley of rock  
Up to my belly in an early fog.  
I was looking for the road to a green painted house -  
In the Dutch mountains.  
In the Dutch mountains  
- mountains -.

I met a woman in a valley of stone

She was painting roses on the walls of her hame.  
And the moon is a coin with the head of the queen -  
Of the Dutch mountains; in the Dutch mountains.

I lost a button of my shirt today

It fell on the ground and it was rolling away.  
Like a trail leading me back to the Dutch mountains

To the Dutch mountains  
- mountains -.

I met a miller on the back of a cow

He was looking for the wind  
but he didn't know how.  
I said: "Follow the cloud that looks like a sheep" -  
In the Dutch mountains  
in the Dutch mountains

In the Dutch mountains  
in the Dutch mountains.

- Mountains  
mountains  
mountains  
mountains  
mountains  
-

- Buildings  
buildings  
buildings  
buildings  
mountains. -
