(Hofstede)
Nescio
Questo paradiso
Nescio
Nella bocca del luppo
Nescio
Lo straniero ' morto
Nescio
Questo paradiso
I jumped off a bridge
And went swimming for hours
And nobody nobody's looking
I came to a hotel with
Double rooms and showers
And nobody nobody's knocking
The phone rings on a nightstand
Somebody whispers 'hello' I don't know
Too many words after so many miles
Somebody whispers 'hello' I don't know
I don't know
Nescio
Questo paradiso
Nescio
Questo quadro ' bello
