(Hofstede/Kloet/Stips - Hofstede)

Suddenly you came to see me

After all those years

You said 'hello'

Time has been a friend

In the town without a home

I went

I'm so alone again

I miss the Bauhaus chair

I miss the Bauhaus chair

Can you turn back

All the pages with the photographs

Can you see that

All the faces

All the houses in the town will fade

The friends that you have made

I take the Bauhaus chair

I take the Bauhaus chair
