(Hofstede/Kloet/Stips - Hofstede)

I roll up the sleeves

Can she bake a cathedral

Under a canoe

I'm a swimmer in blue

I roll up the sleeves

She takes a lot of pictures

Of animals in water

Fish

Fish

Fish

Under a canoe

A shirt is waving in the meadow

Shirt is waving in the meadow

A shirt is waving in the meadow

Shirt is waving in the meadow

I roll up the sleeves

The night lies on her shoulders

Under a canoe

I'm a swimmer in blue

A shirt is waving in the meadow

Shirt is waving in the meadow

A shirt is waving in the meadow

Shirt is waving in the meadow
