Hey, I've been looking for you all day
When you get this message, let me know

[vrs1]

Me and my girl decided to go separate ways
And it didn't last long, it only lasted two days
In that period of time, girl that's when I met you
You never got the chance to get to know me
And I never got to know you

[hook]

I know it ain't right
Broke up with my girl and met you the next night
You probably only read my brain
Us two hurting and I think its strange
Well shorty I'm sorry
That I worked it out and got back with my baby
Got to give her my all
But if it don't work I'll call

I'll get back at ya
(If things dont go according to plan)
I'll get back at ya
(If me and her dont fall in love again)
I'll get back at ya
(If Im ever gonna be friends)
I'll get back at ya shawty
Your numbers on my two-way

[vrs2]

I never meant to lead you wrong
Or misguide you in any way
But shorty I was singled in
And now its not that way
The frame that my mind was in
I wasnt thinking straight
I needed some healing for the pain inside of me

[hook]

I know it ain't right
Broke up with my girl and met you the next night

You probably only read my brain
Us two hurting and I think its strange
Well shorty I'm sorry
That I worked it out and got back with my baby
Got to give her my all
But if it don't work I'll call

[chorus]

I'll get back at ya
(If things dont go according to plan)
I'll get back at ya
(If me and her dont fall in love again)
I'll get back at ya
(If Im ever gonna be friends)
I'll get back at ya shawty
Your numbers on my two-way

[bridge]

I chose to give my relationship another try
Can't let her go so easy
Cause it wouldnt be right
Not saying your not a good girl
But your not mine
I'll holla if she don't work out right

[chorus]

I'll get back at ya
(If things dont go according to plan)
I'll get back at ya
(If me and her dont fall in love again)
I'll get back at ya
(If Im ever gonna be friends)
I'll get back at ya shawty
Your numbers on my two-way
