(Hofstede)

You point your finger at the faces (my family)

On this photograph

This is my father (he looks like me)

On this photograph

I don't remember (I was too small)

The day he went

Only the money and the letters (sometimes he'd call)

That he used to send

Nere varsam ayrincilik

Evden \,cikmaz \,cocuk \,coluk

G\ooz\uum ya\,sli i\,cim yanik

Ah hollanda seni seni; vah hollanda seni seni

Now we're living in the same town (I like your face)

In this old back street

I hear the neighbours when they whisper (a different face)

In this old back street

Gak medisi oldu cellat

Aman doktor derdime bak

I\,sverende yok merhamet

Ah hollanda seni seni; vah hollanda seni seni

Saglam geldik sakat oldule

Yabanciler hep horlandik

Bize ya\,sam \oold\uu artik

Ah hollanda seni seni; vah hollanda seni seni

\,Cifte kultur sorun oldu

Gen\,clerin yildizi s\oond\uu

Okullar cikmaza girdik

Ah hollanda seni seni; vah hollanda seni seni

Aylik d\uu\,sduya\,sam \oold\uu

Gocuk cocuk i\,s\,siz kaldi

Heciz kapimiza geldi

Ah hollanda seni seni; vah hollanda seni seni

D\uuzen bozuk huzur hic yok

Sosyal d\uuzen oldu bombok

Robot geldi i\,s\,ci stop
