Christmas Came Early
written & performed by: Keo Nozari

VERSE 1:

Baby you know I thought I'd never
sing this song before the end of December.
But you came along, an angel from heaven.
Ooo-ooo-oo.

I thought presents only came under pine trees.
Happiness from shopping, material things.
But I unwrapped you and you're my everything.
Ooo-oo-oo.

CHORUS:

Christmas came early this year.
No need for fanfare or reindeer.
Cause my greatest gift came when you appeared.
Christmas came early, so early this year.

Christmas came early this year.
All that I want is now and here.
Cause my greatest gift came when you appeared.
Christmas came early, so early this year.

VERSE 2:

Jingle bells, silver bells, they are ringing.
I was cold, now you hold me, snow's melting.
You're better than anything in my stocking.
Ooo-oo-oo.

With a bow, now I know we're together.
Every moment, every minute's a treasure.
That's the best thing you've helped me remember.
Ooo-oo-oo.

BRIDGE:

Santa he went to the top of my list.

I can tell by the way that you kiss.
I couldn't have ask for a more perfect gift.
I'm in lo-o-ve.

CHANT:

Miracles they happen baby when you lose all of your
fear.

Show the love that's in your heart, it can be Christmas
all the year.

(3x)

Miracles they happen baby when you lose all of your
fear.

I showed the love that's in my heart and Christmas
came early this year.
