when i met you it was so good
the sound of your hear-he-he-heart drew me in
and when i met you it was so nice
havin' someone to love and cuddle with at night
and when we touched i lost my mind
but you took that for granted and you lied
you took my hand and told me that you died
said you never ever felt this way inside

baby don't forget i loved you
don't forget i tried
don't forget i gave you that and some on the side
don't forget that i forgave you
don't forget the tears i cried
don't forget the little things we held so close inside
baby don't forget-get-get
baby don't forget-get-get
oh please just don't forget-get-get
baby don't forget-get-get (yeah)

oh i would never ever come and say that you ain't good
enough
cause i know that we all make our mistakes
i went to heaven, hell and back 'cause you're all i
wanted needed needed
lovin' someone, feelin' so outraged
and when we touched i lost my mind
but you took that for granted and you lied
you took my hand and told me that you died

said you never ever felt this way inside

baby don't forget i loved you (loved you)
don't forget i tried (tried)
don't forget i gave you that and some on the side
don't forget that i forgave you
don't forget the tears i cried
don't forget the little things we held so close inside
baby don't forget-get-get (don't forget)
baby don't forget-get-get (don't forget)
oh please just don't forget-get-get
baby don't forget-get-get (yeah)

and i'm paintin' a picture so it's clear to see
that nobody could ever do you right like me
and nobody could ever give you what you need
don't forget i loved you with my heart baby (baby)

baby don't forget i loved you
don't forget i tried
don't forget i gave you that and some on the side
don't forget that i forgave you
don't forget the tears i cried
don't forget the little things we held so close inside
baby don't forget-get-get
baby don't forget-get-get
oh please just don't forget-get-get
baby don't forget-get-get (yeah)
