[Hook]

When you're rollin, down to the Kanye  
Bump that west coast out in the highway  
Headed to my land, my home  
Where I've matured developed and grown

[Chorus]

This is California (the Golden State) (x4)

[Verse (Kevin Wei/Dr. Soose)]

Golden State Life buzzin' with hip-hop beats  
Crews getting off, power to the streets  
Adrenaline on when the colors bring in heat  
The City of Angels plus a new life to meet  
Ya see, the prime here ain't just black and white  
College kid spirit now I'm off in flight  
With my shades on tight, our victory is closer  
Reppin' the west to new heights, I'm in 'til it's over

It's ya boy Dr. Soose

on Da Track click and you know what it do  
I'm a keep shining till the day that I'm through  
and ya know I'm a stay true to my roots  
and I'll never forget where I came from  
I stay true to myself in the game son  
and Imma keep on spreading light  
and keep on shining in this golden state of life

[Hook/Chorus]

[Verse (Jewlz/Deon] Davelle)]

I live life, let me do what I'm best at  
I'm point guard of my city, that's where I rest at  
Put this city on my back like a backpack  
Keep my people to my side, where I'm strapped at  
No other area's like mine  
No other girl's quite as beautiful like mine  
I got a dime with a dozen  
Name's kid Jewlz and the whole block's buzzin'

I put on for my city everytime I rap  
Some people call me wack, but I think it's 'cause I'm  
black

I think sometimes, should I really do it?  
Should I really put my heart and soul into thi music?  
Man it's real messed up, It don't make sense  
Trying to look for it, but I just see the past tense  
So much stress in this world, people killing over girls  
Sometimes it just makes me want to hurl

[Bridge (SleepyHead)]

I'm riding down the streets, living Golden State Life  
Hollywood illuminating like a spotlight  
City of Angels in sight, bringing new heights  
So Imma go for mine tonight, cuz its my time to shine!

[Hook/Chorus]
