~*~Intro~*~

Baby girl, don't you know you're beautiful? Oh
In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond
Beautiful inside out

~Verse 1~

I know there's pressure
Everytime you turn around
It's out to get ya, but don't you let it wear you don't
Gotta take a second, just remember who you are
It's time to raise the bar
Now are you ready?

Chorus

Baby girl, don't you know you're beautiful? Oh
In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond
Beautiful inside out

~Verse 2~

I know they told you
That you'd never be anything
But it's not over
They will say you are a queen
To all my sisters won't ya say it out loud
We are beautiful inside out

Chorus

Baby girl, don't you know you're beautiful? Oh
In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond
Beautiful inside out

Baby girl, don't you know you're beautiful? Oh

In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond

Beautiful inside out

Yeah, yeah.. Ooh

Oh oh oh oh..
Oh oh oh oh

Don't you know you are?
Oh oh oh oh..

You're beautiful
Oh oh oh oh..

You are beautiful!

Chorus

Baby girl, don't you know you're beautiful? Oh
In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond
Beautiful inside out

Baby girl, don't you know you're beautiful? Oh
In this world, you ain't gotta settle no more
Baby girl, show them how you're shinin'
You're like a diamond
Beautiful inside out

Beautiful inside out

Don't you know you're beautiful
Don't you know you're beautiful
Don't you know
Don't you know, oh
Don't you know, you are beautiful
