### Verse 1:

Many of things that try to take Your place  
But nothing can compare  
Many other faces that seem to have their appeal  
But their heart just wasn't there

And I've searched the world, inside and out  
And there's nothing here that I have found

### Chorus:

'Cause You, You've taken my heart  
You've taken my soul  
And You're simply beautiful  
And there's.. There is no way I can let go  
'Cause You're simply beautiful  
Oh, You're simply beautiful

### Verse 2:

Everytime I think that I'm over and done  
I take one look at Your love  
And all of the strength that You've given to me  
And every little thing that we've overcome

And I can't explain it, even if I try

What Your love has done here in my life

### Chorus:

'Cause You, You've taken my heart  
You've taken my soul  
And You're simply beautiful  
And there's.. There is no way I can let go  
'Cause You're simply beautiful  
Oh, You're simply beautiful

### Bridge:

You're simply the Sun up in my sky

You've taken my world to the light

Oh and everyday is proof of Your love  
And I don't need anything 'cause You are enough

Chorus:

'Cause You.. You've taken my heart  
You've taken my soul  
And You're simply beautiful  
And there's.. There is no way I can let go  
'Cause You're simply beautiful  
Oh, You're simply beautiful
