~Verse 1~

Teach me how to love my brother, my sister
When they're down and out and they just need
A helping hand.. When they need a friend
Teach me how to pray for the lost and the broken
Teach me how to be a little bit of hope to them
Help me understand

Chorus

Oh, if I can be a light to somebody else's life
Use me Lord
I don't wanna waste this time
I just wanna make this count
If it ain't You, I don't wanna do it
I don't wanna waste this time
Let Your love be my guide
If it ain't You, I don't wanna do it

~Verse 2~

Show me how to give from a heart that's willing
Even if it's hard and I don't really feel it.. Right then
Help my world to bend

You've given me today, that's all that matters
Don't let it slip away, I may not get the chance again
Ever again

Chorus

Oh, if I can be a light to somebody else's life
Use me Lord
I don't wanna waste this time
I just wanna make this count
If it ain't You, I don't wanna do it
I don't wanna waste this time
Let Your love be my guide
If it ain't You, I don't wanna do it

~*Bridge*~

We've only got a moment
While we're on this Earth
I wanna give to You

Whatever my life is worth

Chorus

If it ain't You, I don't wanna do it
I don't wanna waste this time
Let Your love be my guide
If it ain't You, I don't wanna do it
No I don't wanna do it

Make this count

And if it ain't You, I don't wanna do it
I don't wanna waste this time
No no.. If it ain't You, I don't wanna
I don't wanna do it
