~Verse 1~

You might think I'm a little bit crazy
And I can understand when you ask me if I lost my
mind
But I can give you an explanation
If you're a little bit curious, If you've got a little time

I was lost, I was out, some said down for the count
But when life had me beat, let me tell you now I'm free
'cause

Chorus

He came and broke the chains that had me bound
He put my weary feet on solid ground
Gave me a new song, Just gotta sing along
Get up on my feet, Moving to the beat 'cause I'm free
Just watch me dance

~Verse 2~

Never gonna go back again
And I'm done worrying about the things that I can't
change
No matter what comes tomorrow
I've got no fear 'cause I know everything's in His hands

I can't stop, stop my praise
Every minute, everyday
With my song, with my feet

With everything in me 'cause

Chorus

He came and broke the chains that had me bound
He put my weary feet on solid ground
Gave me a new song, Just gotta sing along
Get up on my feet moving to the beat 'cause I'm free
Just watch me dance

~*Bridge*~

Dancing 'cause He calls me friend
Dancing 'til He comes again
Dancing when I'm home with Him

Oh, Dancing and I'll never quit

Chorus

He came and broke the chains that had me bound
He put my weary feet on solid ground
Gave me a new song, Just gotta sing along
Get up on my feet moving to the beat 'cause I'm free
Just watch me dance

Just watch me dance

Just watch me!
