She's the first one of her kind,  
And the last one in her line.  
She's a creature so rare.  
You can't be sure she's really there.  
Hey, hey (Hey, hey)  
She's the impossible girl (the impossible girl).

You can look but you can't touch,  
Because she feels it all so much.  
And her fire burns so bright.  
You'll have to hide from her light  
Hey, hey (Hey, hey)  
She's the impossible Girl (the impossible girl).

Without a word, she broke your heart.  
Just one look and you fell apart.  
She turns your worls upside down,  
Even when she's not around  
Hey, hey (Hey, hey)  
She's the impossible Girl (the impossible girl).

Hey, hey (Hey, hey)  
She's the impossible Girl (the impossible girl).

Hey, hey (Hey, hey)  
She's the impossible Girl (the impossible girl).
