You can have my keys  
If I can have your heart  
You can sleep on my couch  
If I can sleep on top of you

Oh you, you can have everything you need  
Oh you, you can have everything  
You can have everything  
And more

You can be my carpet  
And I'll be your floor  
I'll be your music  
If you play me like a guitar

Oh you, you can do everything to me  
Oh you, you can do everything  
You can do everything  
And more

If I was a sonnet  
I'd be 15 lines long  
And if I was a pop quiz  
I'd have 90% of my answers wrong

Oh but you, you're always right about everything  
Oh you, you're right about everything  
All the time  
And more

You can use my toilet  
If you promise to flush  
You can help me write this song  
I'm not asking for much

Oh we, we can have everything we need  
Oh we, we can have everything  
we can have everything  
And more

And more

And more

And more

And more

And more

And more
