Verse 1:

I done came down, hold up...
I done came down, hold up; grip da grain rolled up
And ya girlfriend want ah nigga like me cuz I ain't tryna
control ha
She call me when she wanna change, black
diamond...my pinky ring
She know you weak and we ain't the same; you hit the
scene, I make the scene
I'm in ha head like maybelline, H-town so I'm made to
lean;
I'm in ha soul I'll make ha scream, I don't ride da toll I
don't pay wit change
I'm easy to tag like peter pan, she want a man don't
need a man;
I'm flying down your boulevard, she cooking dinner wit
yo pans.
Dropped up dripped out yo bitch know what I'm talkin
bout. Pulls up
pulls out, we get it poppin in parking lot; she like to do it
wit da lights on,
dun matta to me if its dark or not; I'm G'd up, East up,
fossil pants I'm hard as a rock.

Hook:

Girl I know how much you really want somebody, want
somebody that dun really need you
Girl I know how much you really want somebody, want
somebody that ain't tryna keep...
You know what I said, that can put chu to bed; that ain't
tryna love you baby just fuck you instead
And don't tell him nuthin baby, you know that I'm
coming baby; just hit up my phone whenever
You need you some company, I got this drank in my
cup...Oh yeah...I got this drank in my cup
(Draaaaaaaaank) I got this drank in my
cup...(Draaaaaaaank...Bangz)

Verse 2:

I done came down came up, slow pitch change up;
same hood same style
same drank same cup. She call me when she wanna
fuck, I never call she knows what's up
Same page, same book; different song same hook.
Every time ha nigga trippin she on da phone
With the same crook and every time I pull up she hittin
me wit that same look; lips bitin, hips right,
She left ha man for that get right, I'm in the middle like
midnight but only if you got that sip tight
Only if you got the wine fine, only if you got that sip
tight; only if you got that mine bomb only if you
Got that sip tight. Eat that shit like wonton, jokin baby
I'm pimp type; I'm use to bein that one and done
But girl you got that (Get...get right...)

Hook:

Girl I know how much you really want somebody, want
somebody that dun really need you
Girl I know how much you really want somebody, want
somebody that ain't tryna keep...
You know what I said, that can put chu to bed; that ain't
tryna love you baby just fuck you instead
And don't tell him nuthin baby, you know that I'm
coming baby; just hit up my phone whenever
